Regulations to be reviewed by students and their families and returned to the office:

1. Drivers are expected to exercise care when driving and parking on school property.

5. Vehicles parked on school property are under the jurisdiction of the school. School officials may search any vehicle anytime there is reasonable cause to do so.
6. The school will not be responsible for the security and content of vehicles parked on school property. Students must make certain that their car is locked and that the keys are not given to others.
7. Students are not permitted to loiter in cars or congregate in the parking lots.
8. Students may not go into their vehicles during the school day without direct permission of school administration.
